

Moving Stripes

La linea Moving Stripes é stata studiata e realizzata per un consumatore evoluto, raffinato ed abituato a viaggiare per lavoro. Le borse, caratterizzate da un design pulito e contemporaneo, sono dotate di un'ampia tasca esterna, di un portacomputer e di una pochette estraibile e di un doppio scomparto interno. Il doppio manico caratterizza tutta la linea, dando un'immagine alternativa alle cartelle da lavoro classiche.

The line Moving Stripes has been conceived and produced for the modern, cultivated consumer, used to travel for business. The bags, characterised by a contemporary and smart design, are equipped with a wide outside pocket, a removable computer holder, a pochette and dual interior spaces to enable neat separation of items. The double handles are a feature of the complete range, conveying an alternative look to the traditional briefcases.
